I hope that you all enjoyed the day and managed to shoot the scores that you deserved!!!!!!

Today was one of the quickest and smoothest tournaments that we have run and we even managed to pack everything away at the container before it got dark.

My thanks to our Lord Patron John Nunn and to Peter Conisbee and John for being our officials for the day.

For those club members and some of the other archers who helped to set up and take down the equipment, many thanks.

A special thank you to Kelly for helping me with the admin and score checking and to Janet for providing a tasty casserole for the judges.

We hope to see you all again on 14th February 2016 for our combined Worcester/Vegas tournament. Entry form on DCAS website.
